

Summary WCP&K Program and Financial Information

WCP&K Curriculum

The WCP&K curriculum provides an academically rich program which meets state requirements and enables students to thrive in kindergarten. What's more, Christian values foster social, emotional and spiritual development while the child's creativity and independence are developed with fun and engaging activities in a clean, colorful and beautiful facility.

Little Scholars Enrichment for 4 and 5 year olds

Little Scholars Enrichment is a curriculum that integrates Science, Technology, Engineering, Math, and Language Arts. This theme based, multi-sensory, hands on program is designed to encourage higher level thinking and to challenge students to explore the world and their place in it. This program is also an excellent way to prepare your child for full day Kindergarten.
