

WCP&K SCHOOL NEWS

January 2020

Train a child in the way they should go, and when they are old they will not depart from it. Proverbs 22:6

We are being audited by the Board of Health. Any student who has not received the flu shot, OR submitted a religious exemption, WILL NOT BE ABLE TO RETURN TO SCHOOL until proof of flu shot or religious exemption is submitted. See the requirement below.

FLU SHOT

When your child receives their flu shot this year, ask for documentation stating that they received the flu shot and the date it was given. A copy of the documentation must be given to the preschool office (drop in the office mailbox) for your child's file.

Read below for details from the State of NJ:

The State of New Jersey requires that children six months through 59 months of age attending any licensed child-care or preschool facility after September 1, 2008 shall annually receive at least one dose of Flu vaccine between September 1st and December 31st of each year." The State of New Jersey also states that "Students not vaccinated by January 31, 2020 must be excluded from school for the duration of Influenza season (through March 31) or until they receive at least one dose of the Flu vaccine."

See Rose Barrett with any questions.

Transitional Kindergarten (TK) Informational Meeting

Are you thinking of enrolling your child in the Transitional Kindergarten (TK) Class?
If yes, we invite you to this informative meeting to review the goals and philosophy of the TK Program. There will a question and answer period as well.

Wednesday, January 8th, 11:30 am in the school conference room.

ABC Parade for PK classes

This year our ABC Parade will take place on January 15th. Parents drop your kids off and go to the MMC room, above the pre-school to watch the parade!

It's cold outside!!!!

SO PLEASE.....

Do not leave the front doors open
By leaving the doorstops down.

If you see the door stops are down,
Please kick them back up!!!!!!!!

THANK YOU!!!!

We all know how well children share germs! ☺

So if your child has a runny nose and/or a persistent cough,
be sure to keep them home!

Just as a review, children are not permitted to come to school if...

- they are not fever free for 24 hours
- their mucus is yellow or green
- they have a persistent cough

-it has been less than 24 hours since they last threw up

-they have not been on antibiotics for at least 24 hours

Be sure to call the office to let us know if your child will be out.

Office # 201-891-7140

Thank you for working together to keep the children healthy!
